

**2017-2018**

**FAIR Application Instructions**

### **Tuition Assistance Assessment**

St. Joseph Parish has contracted with FAIR (Financial Aid Independent Review) again for the 2017-18 school year. This will provide us with a tuition assistance needs analysis based on information provided by the applicants.

In order to be considered for tuition assistance, please apply online at [www.fairapp.com](http://www.fairapp.com) **no later than March 24, 2017**. It is imperative that you apply by this date for sufficient time in processing and gathering any further information that may be needed. If you do not apply by this date, you will not be given tuition assistance. St. Joseph Parish School will contact families who are awarded tuition assistance for the 2017-2018 school year on April 21st, 2017.

Below is the school code and password for applying online. If you have any questions about the application process, call FAIR at their toll free number 1-877-676-3247.

Your 2017 tax return information is needed in order for FAIR to complete your application process.

Please keep in mind that regular church support, paying your fair share of tuition, and giving of your time, talent, and treasure is necessary in order to receive tuition assistance.

To apply online, you will need the school code **112**, and the password **sjs112**.
