

ST. JOSEPH PARISH SCHOOL

Dear Parents/Guardians,

We are fortunate to be able to include our St. Joseph families on the Prescott School District parent notification calling system.

You will be added to the phone system and be notified by a phone call for school closings, late starts, and other emergencies. The closing and emergency information will still be advertised on T.V. and radio.

Please fill out the bottom portion of this form and return it with your other documents to St. Joseph school. If you have any questions, please call or email me at school. Thank you!

In Christ,

Christine Meshak
